Model COBRA Continuation Coverage Supplemental Notice (For use by group health plans for qualified beneficiaries currently enrolled in COBRA coverage with qualifying events that occurred on or after September 1, 2008 to advise them of the availability of the premium reduction.)

[Enter date of notice]

Dear: [Identify the qualified beneficiary(ies), by name or status]

This notice contains important information about additional rights you may have related to your COBRA continuation coverage in the [enter name of group health plan] (the Plan). Please read the information contained in this notice very carefully.

The American Recovery and Reinvestment Act of 2009 (ARRA) reduces the COBRA premium in some cases. You are receiving this notice because you experienced a loss of coverage at some time on or after September 1, 2008 and chose to elect COBRA continuation coverage. If your loss of health coverage was due to an involuntary termination of employment you may be eligible for the temporary premium reduction for up to nine months. To help determine whether you can get the ARRA premium reduction, you should read this notice and the attached documents carefully. In particular, reference the "Summary of the COBRA Premium Reduction Provisions under ARRA" with details regarding eligibility, restrictions, and obligations and the "Application for Treatment as an Assistance Eligible Individual." If you believe you meet the criteria for the premium reduction, complete the "Application for Treatment as an Assistance Eligible Individual" and return it to us at [insert mailing address].

[If the plan permits Assistance Eligible Individuals to elect to enroll in coverage that is different than coverage in which the individual was enrolled at the time the qualifying event occurred, insert: "To change the coverage option(s) for your COBRA continuation coverage to something different than what you had on the last day of employment, complete the "Form for Switching COBRA Continuation Coverage Benefit Options" and return it to us. Available coverage options are: [insert list of available coverage options]." The different coverage must cost the same or less than the coverage the individual had at the time of the qualifying event; be offered to active employees; and cannot be limited to only dental coverage, vision coverage, counseling coverage, a flexible spending arrangement (FSA), including a health reimbursement arrangement that qualifies as an FSA, or an on-site medical clinic.]

Important Information about Your COBRA Continuation Coverage Rights

How much does COBRA continuation coverage cost?

Generally, each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount a qualified beneficiary may be required to pay may not exceed 102 percent (or, in the case of an extension of continuation coverage due to a disability, 150 percent) of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated plan participant or beneficiary who is not receiving continuation coverage. The required payment for each continuation coverage period for each option is described in this notice.

The American Recovery and Reinvestment Act of 2009 (ARRA) reduces the COBRA premium in some cases. The premium reduction is available to certain individuals who experience a qualifying event that is an involuntary termination of employment during the period beginning with September 1, 2008 and ending with December 31, 2009. If you qualify for the premium reduction, you need only pay 35 percent of the COBRA premium otherwise due to the plan. This premium reduction is available for up to nine months. If your COBRA continuation coverage lasts for more than nine months, you will have to pay the full amount to continue your COBRA continuation coverage. See the attached "Summary of the COBRA Premium Reduction Provisions under ARRA" for more details, restrictions, and obligations as well as the form necessary to establish eligibility.

[If employees might be eligible for trade adjustment assistance, the following information must be added: The Trade Act of 2002 created a tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC). Under the tax provisions, eligible individuals can either take a tax credit or get advance payment of 65% of premiums paid for qualified health insurance, including continuation coverage. ARRA made several amendments to these provisions, including an increase in the amount of the credit to 80% of premiums for coverage before January 1, 2011 and temporary extensions of the maximum period of COBRA continuation coverage for PBGC recipients (covered employees who have a nonforfeitable right to a benefit any portion of which is to be paid by the PBGC) and TAA-eligible individuals.

If you have questions about these provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll-free at 1-866-628-4282. TTD/TTY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at www.doleta.gov/tradeact.]

When and how must payment for COBRA continuation coverage be made?

Other than the amount, nothing else about the payment has changed. All periodic payments for continuation coverage should be sent to: [enter appropriate payment address]

You may contact [enter appropriate contact information, e.g., the Plan Administrator or other party responsible for COBRA administration under the Plan] to confirm the correct amount of your first payment or to discuss payment issues related to the ARRA premium reduction.

Summary of the COBRA Premium Reduction Provisions under ARRA

President Obama signed the American Recovery and Reinvestment Act (ARRA) on February 17, 2009. The law gives "Assistance Eligible Individuals" the right to pay reduced COBRA premiums for periods of coverage beginning on or after February 17, 2009 and can last up to 9 months.

To be considered an "Assistance Eligible Individual" and get reduced premiums you:

- ➤ MUST be eligible for continuation coverage at any time during the period from September 1, 2008 through December 31, 2009 and elect the coverage;
- ➤ MUST have a continuation coverage election opportunity related to an involuntary termination of employment that occurred at some time from September 1, 2008 through December 31, 2009;
- ➤ MUST NOT be eligible for Medicare; AND
- ➤ MUST NOT be eligible for coverage under any other group health plan, such as a plan sponsored by a successor employer or a spouse's employer.*

Individuals who experienced a qualifying event as the result of an involuntary termination of employment at any time from September 1, 2008 through February 16, 2009 and were offered, but did not elect, continuation coverage OR who elected continuation coverage and subsequently discontinued it may have the right to an additional 60-day election period.

♦ IMPORTANT ◆

- ♦ If, after you elect COBRA and while you are paying the reduced premium, you become eligible for other group health plan coverage or Medicare you MUST notify the plan in writing. If you do not, you may be subject to a tax penalty.
- ♦ Electing the premium reduction disqualifies you for the Health Coverage Tax Credit. If you are eligible for the Health Coverage Tax Credit, which could be more valuable than the premium reduction, you will have received a notification from the IRS.
- The amount of the premium reduction is recaptured for certain high income individuals. If the amount you earn for the year is more than \$125,000 (or \$250,000 for married couples filing a joint federal income tax return) all or part of the premium reduction may be recaptured by an increase in your income tax liability for the year. If you think that your income may exceed the amounts above, you may wish to consider waiving your right to the premium reduction. For more information, consult your tax preparer or visit the IRS webpage on ARRA at www.irs.gov.

For general information regarding your plan's COBRA coverage you can contact [enter name of party responsible for COBRA administration for the Plan, with telephone number and address].

For specific information related to your plan's administration of the ARRA Premium Reduction or to notify the plan of your ineligibility to continue paying reduced premiums, contact [enter name of party responsible for ARRA Premium Reduction administration for the Plan, with telephone number and address].

If you are denied treatment as an "Assistance Eligible Individual" you may have the right to have the denial reviewed. For more information regarding reviews or for general information about the ARRA Premium Reduction go to:

www.dol.gov/COBRA or call 1-866-444-EBSA (3272)
