

2022 Privacy & Security Risk Management Workshop!

We kick off our Hybrid In-Person & Virtual Workshop Series with Two Privacy & Security Key Risk Management Training Workshops!

April 6, 2022

9 am to 3:30 pm, Anaheim Brookhurst Community Center, Anaheim, CA, or Online on Zoom

\$99 in person registration fee, \$55 Zoom Registration Fee

In-person space is extremely limited so register now! Zoom registration limited to 50 attendees.

Session One: Training Your Supervisors & Managers on HIPAA Privacy, Security & Cybersecurity (and related laws) – A special live training workshop to train your management team on the importance of protecting your company from Privacy & Security Risks, and Training Your Management Team to Be an Asset, not a Liability to Your Firm! **9 am to 11 am Pacific Time**

Session Two & Three: How to Conduct an Electronic Risk Assessment – A special hands-on workshop to evaluate your security risks and get your firm started on a Risk Assessment, which is required for HIPAA Privacy & Security, but also is a must in today's world of cyber-attacks, ransomware and cyber criminals- A must for all employers! **Session 2 from 11:10 am - 12:15 pm, Session 3 from 1 pm - 3:15 pm Pacific Time**

PRESENTED BY

www.advancedbenefitconsulting.com or
www.aditigroup.com

Aditi Group

Advanced Benefit Consulting & Insurance Services, Inc., Anaheim, CA. CA Insurance License Number 0D40564

Session One, Advanced Benefit Consulting's President, Dorothy Cociu (top right), does a live HIPAA Privacy & Security Supervisor & Manager Training, with Q&A, role-playing and review of sample P&Ps, to be sure your firm is protected from the front lines... Your Supervisors and Managers have direct access to your employees. *They can be your greatest asset or worst liability as far as Privacy & Security risks... We want to train them to be the best assets they can be to protect your company's data and follow HIPAA Privacy & Security rules, and to understand the electronic risks for all employers!*

Sessions Two & Three, Ted & Ted, Principals of Aditi Group, will demonstrate some real-world data security threats you face and then guide you in Electronic Risk Assessments with an easy-to-understand break-down of who, what, when, and how do conduct an assessment. Then we will put it all into practice. Our workshop will provide hands-on assistance to evaluate your electronic risks and track the flow of data to improve the electronic security within your firm. *You will leave empowered and will have started a real business risk assessment.*

Presenter/Trainer Information

Dorothy M. Cociu, RHU, REBC, GBA, RPA
President, Advanced Benefit Consulting & Insurance Services, Inc. Dorothy M. Cociu has 30+ years experience in the sales and administration of employee benefit programs. She is the author of The ABC's of HIPAA Compliance; An Employer's Simplified Administrative Guide to HIPAA Compliance, published October, 2000. She won a National Legislative Achievement Award from the National Association of Health Underwriters (NAHU) for her work in Legislative Communications to employers and the industry, and her work in HIPAA education in 2001. Dorothy began her administrative experience in the Taft-Hartley marketplace in 1984, then moved to self funded administration after three years. Dorothy left the TPA field in 1995 to develop Advanced Benefit Consulting, a benefits and third party administration consulting firm specializing in self funded health plans and their administration. Her clients include fully insured and self-insured employers, third party administrators, excess loss carriers, general agencies, health care providers and the U.S. Department of Labor. Ms. Cociu has had over 70 articles published on topics such as HIPAA Privacy, ERISA, Self Insurance, COBRA, Federal and State Health Care Reform, and Managed Care Reform. She has also been interviewed and quoted as an industry expert on HIPAA by Business Insurance and on self-funding by Business Week. She is a frequent contributing author for California Broker magazine, The Statement, and America's Benefit Specialists Magazine. She has consulted on a number of privacy audits, and has been successful in reducing and eliminating penalties.

Dorothy has spoken on a national basis for over 25 years and has been an instructor for the Certified Employee Benefit Specialist Program of the Wharton School of Business, administered locally by the Insurance Educational Association, since 1994. She was asked to head up a national HIPAA educational program for employers by the National Association of Health Underwriters, as directed by the US Department of Labor and The Department of Health and Human Services in 2004.

Ted Mayeshiba, Principal of Aditi Group, has over thirty years of management experience in operations engineering and management from various industries from automotive to satellite to biopharmaceutical and clinical medical practices. He has proven that he can direct and launch new initiatives which transform operations, improve productivity, reduce cycle time or improve decision making capabilities within highly technical, competitive and legacy entrenched organizations. His latest efforts involve the successful transformation of a Lean Health Care Academy, built upon the successful Lean Academy for Operations under the auspices of the Lean Advancement Initiative based out of MIT. As West Coast Director of LAI EdNet based at USC, Ted plans and executes Operational Academies to improve outcomes for various groups both in manufacturing, engineering and now, health care. He is a Fellow with the Institute of Industrial Engineers

Areas of Expertise

Lean practices in a variety of industries, including aerospace, automotive, biopharmaceutical, electronics as well as municipal governmental and non-governmental agencies. He has implemented Lean practices through extensive training of executives, management, and line operators. Ted is recognized nationally as an authority on Lean practices, and has been invited to participate in Lean seminars as a speaker or trainer by Fortune 100 companies and other academic institutions.

Education: MBA, University of Southern California, Marshall School of Business
 Bachelor of Industrial Engineering, Kettering University

Ted Flittner, Principal of Aditi Group, has broad experience with increasing the value of all types of processes by providing clients with sustainable and continued improvements. His philosophy is that any process can be improved upon, and that every process can be profitable, rewarding, and stress-free. Ted enjoys coaching groups of all sizes to reach higher performance and to develop confidence to broaden their horizons.
